

Universität Hamburg

DER FORSCHUNG | DER LEHRE | DER BILDUNG

RESEARCH ASSOCIATE APPLIED MICROECONOMICS § 28 SUBSECTION 1 HMBHG

Institution: Faculty of Business, Economics and Social Sciences, Hamburg Center for Health Economics

Salary level: EGR. 13 TV-L

Start date: 01.09.2023, The initial fixed term is three years. (This is a fixed-term contract in accordance with Section 2 of the academic fixed-term labor contract act [Wissenschaftszeitvertragsgesetz, WissZeitVG]).

Application deadline: 2022-12-31

Scope of work: full-time position suitable for part-time

Responsibilities

Research associates will be expected primarily to teach and conduct research. The research associate will also have the opportunity to pursue further academic qualifications, in particular a doctoral dissertation. At least one-third of set working hours will be made available for the research associate's own academic work.

Specific Duties

The research associate will work together with Prof. Iris Kesternich on empirical research topics in health and labour economics. The aim is to publish research results in high-ranking journals and to contribute to the debate on economic policy. Additionally, the successful applicant will have time to pursue her/his own dissertation project and will support the teaching activities of the team in Economics and Econometrics (4 hours/week). We offer an attractive research environment in a dynamic and friendly team atmosphere.

Requirements

A university degree in a relevant field.

Applicants should have successfully finished a Research Master in Economics and belong to the best students within their cohort. We expect proficiency in English (proficiency in German is an advantage, but not a prerequisite) and STATA usage. Other programming languages such as R or Matlab are a plus.

We offer

Reliable remuneration based on wage agreements

Continuing education opportunities

University pensions

Attractive location

Flexible working hours

Work-life balance opportunities

Reduced rates available for a HVV-Proficard (transit pass) and much more

Health management

Educational leave

30 days of vacation per annum

As a University of Excellence, Universität Hamburg is one of the strongest research universities in Germany. As a flagship university in the greater Hamburg region, it nurtures innovative, cooperative contacts to partners within and outside academia. It also provides and promotes sustainable education, knowledge, and knowledge exchange locally, nationally, and internationally.

The Free and Hanseatic City of Hamburg promotes equal opportunity. As women are currently underrepresented in this job category at Universität Hamburg according to the evaluation conducted under the Hamburg act on gender equality (Hamburgisches Gleichstellungsgesetz, HambGleiG), we encourage women to apply for this position. Equally qualified and suitable female applicants will receive preference.

Severely disabled and disabled applicants with the same status will receive preference over equally qualified non-disabled applicants.
