

You're invited! Women7 Summit on 24 – 25 May 2022

Dear supporters and colleagues,

The G7 Summit under German Presidency is fast approaching, and feminist civil society from all over the world is making its voice heard. We say: it is time to deliver!

The National Council of German Women's Organizations ([Deutscher Frauenrat](#)) has been invited to host the 2022 W7 Dialogue. In representation of our international W7 network, we are excited to invite you to the

W7 Summit 2022!
May 24, 1 to 4.30 p.m. CEST
May 25, 12 to 4.00 p.m. CEST

Through a multi-stage consultation process, Women7 (W7) brings together an international network of feminist civil society organizations and advocacy groups with the aim of placing gender equality at the center of G7 negotiations.

Over the past months, 64 representatives from all over the world, the W7 Advisors, have gathered to formulate policy demands to G7 leaders. They also agreed upon a joint declaration, the W7 Communiqué. At the W7 Summit, it is now time to personally hand over the results of the W7 Dialogue to the German Chancellor and G7 President, Olaf Scholz.

We are looking forward to a series of high-level panel discussions with international representatives from civil society and politics. Please find the (provisional) agenda attached.

The hybrid event will be streamed in English and translated into German. Please register [here](#) if you are interested in attending the W7 Summit virtually.* Feel free to distribute this invitation within your network.

If you have any questions, please do not hesitate to contact the W7 Team at info@women7.org. You can also [visit our website](#) for further information.

We are looking forward to welcoming you to this year's W7 Summit!

With best wishes,
The W7 Germany Team
