

**Announcement of the  
14th European Women Pharmacists Meeting  
Saturday November 23<sup>th</sup> 2019 Dresden  
Working better together – Interdisciplinary Co-operation**

We are looking forward to meeting you at the 14th European Women Pharmacists Meeting in Dresden, Germany, on November 23th 2019.

The programme includes tandem lectures and discussions on interdisciplinary co-operation led by University, Hospital and Community pharmacists, authorities and the pharmaceutical industry. A social programme will cover the whole weekend.
